Kenmare, Co. Kerry, V93AK54

I'm a passionate IT Support / Administration / Development engineer dedicated to leveraging technology to drive innovation and create meaningful digital experiences. A deep curiosity, a hunger for knowledge, and a relentless pursuit of excellence have marked my journey in this ever-evolving field. Technology can transform lives, solve complex problems, and bring ideas to life. A commitment to Honesty, Integrity and teamwork guides my approach. I view every project as an opportunity to positively impact and create solutions that stand the test of time.

PROFESSIONAL TIMELINE
